

EMPOWERING GROWTH THROUGH TRAINING AND DEVELOPMENT

WHAT WE'VE BEEN UP TO

The first quarter of 2025 has been a period of strong planning, growth, and impactful training sessions. Here are some key highlights from the past few months:

- We hosted a well-structured pre-season planning session at Riverside Katriver Farms, Eastern Cape. This laid the foundation for a successful season ahead.
- Samuel Sindelo hosted Team Leader and Meeting Procedure training in Kirkwood, Eastern Cape.
- Compared to previous years, our induction programs were better planned and executed. The improvements led to a smoother onboarding process and better preparation for all participants.
- Strong leadership remains at the heart of our training philosophy. The leaders we train are equipped not only to manage but to work alongside their teams with purpose. When teams operate with a clear purpose, rather than just a goal, their success and cohesion improve significantly.

WAT LÊ VOOR VIR KWARTAAL 2

Seisoenale programme begin in April 2025 by Stettyn Wingerde en Kelder, Sterkwater, Eselfontein en Oewerzicht in die Wes-Kaap en Maloney's Eye in Gauteng. Hierdie plase bied waardevolle geleenthede vir praktiese leer, persoonlike groei en leierskapontwikkeling. Werknemers ontwikkel nie net werksvaardighede nie, maar ook belangrike sagte vaardighede wat hul waarde in die werksplek verhoog.

OPKOMENDE KURSUSSE

Ons beveel graag die komende opleidingssessies aan wat fokus op die basiese beginsels van toesighouding. Hierdie kursus stel toesighouers in staat om hul take effektief en met meer selfvertroue aan te pak.
