

PRACTICAL DEVELOPMENT MEANINGFUL GROWTH LASTING IMPACT

At Anida Training, we believe learning should be practical, people-centred, and connected to real workplace goals. Through training, mentorship, coaching, and workplace development, we continue to work alongside businesses and organisations to strengthen teams, build confidence, and unlock potential.

WHAT WE'VE BEEN UP TO

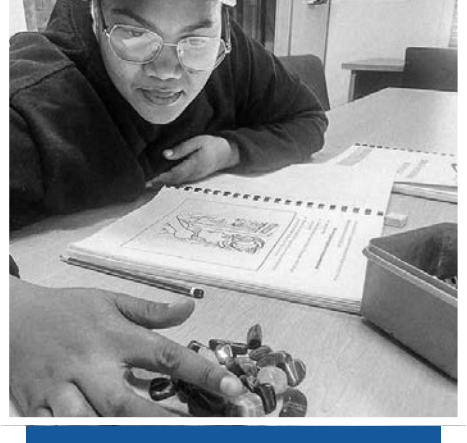

Over the past few months, we've continued facilitating practical training sessions, mentorship programmes, leadership development, and team-building activities across the Western Cape, Eastern Cape and Gauteng.

Riverside Katriver Farm in Fort Beaufort: We spoke about the "hats" we place on others — how assumptions often shape the way we treat people instead of truly understanding who they are.

Maloney's Eye near Magaliesburg: Working with the management team through a practical communication exercise focused on listening skills, clear instruction, and understanding.

CFG, Ceres: We presented our Supervisor Development course focused on self-development, leadership, and management skills.

SGOV in Kirkwood: Money Matters programme, helping participants build practical everyday financial skills.

Maloney's Eye near Magaliesburg: We facilitated a fun balloon group exercise focused on teamwork, leadership, trust, and communication. The activity highlighted the importance of working together, paying attention to detail, trusting one another, and moving forward as a team — and one manager enjoyed it so much, he kept his balloon with him for the rest of the day!

LONG-TERM PARTNERSHIPS BUILT ON GROWTH & TRUST

One of our greatest privileges is walking long-term journeys with the people and organisations we work with. In 2026, we celebrate:

- 21 years of partnership with SGOV Farms
- 10 years working with Riverside Kat River Farm near Fort Beaufort

These relationships represent far more than training programmes — they reflect years of trust, shared growth, mentorship, leadership development, and genuine commitment to people. We are deeply grateful to every client, team, and individual who continues to trust us as part of their journey.

Anida with Marlet Anel from SGOV Farms

Richard (Assistant Manager) and Punki (Farm Manager) from Riverside Katriver Farm with Anida
